7. The Georgetown chapter of the National Lawyers Guild also known as the London Lawyers Guild. <https://orgsync.com/19123/chapter>

It seems to be that collective minds in opposition of freedom or safety towards public order are inciting violence towards a classification the collective minds have created in regards to a particular material possession and intangible rights for ownership of an item to which is a tool and commonly used as self defense to deter attackers and give human beings the opportunity to challenge the force of aggression with equal to greater force grasping the opportunity for the defender to survive and be free.

In the Maxims of the law, “He who creates the liability, must provide the relief.”

Programs being owned and aired within the 6 aforementioned corporations to which is referenced as the “collective minds” has created a liability to which the ANU feels may endanger the public order and welfare for all people living within the metes and bounds and seaward boundaries of The United States of America, and further the ANU wishes these

programs will make a statement and place a disclaimer on their screens to which states the following:

If a news outlet or news source to implement oaths or affirmations under the penalties of perjury,

All other: Statement and or disclaimer-

The following information is for entertainment purposes only. Nothing in this program shall be construed as factual or literal.

The 6 aforementioned corporations in connection with the National Lawyers Guild, Southern Poverty Law Center, and Georgetown University and within willful intent to deceive or defraud under the guise of news but a misrepresentation in itself and for the purpose of inciting violence or general chaos:

The ANU has the following questions to the GPM Liaison to be delivered to the National Assembly:

- 
1. ANU wishes to remain in reciprocity with the Government of The United States of America and the ANU wishes to know what laws may be implied towards the subject matter at hand?
 2. If the ANU may request a press-release to publish Internationally in the reign of the heavens society post regarding the subject matter at hand?
 3. If the ANU can create a committee as a counterpart to the FCC? The Committee for the American National Communications Network(ANCN)?
