Executive Order

Executive Order: 9A938BD3-7D01-4FC3-AD6B-A550E144BEB2

For the purpose of clarity, the following is hereby ordered to be published; and

Wherever the style is found in a seal or other document, the style "THE UNITED STATES OF AMERICA", is hereby defined and will always mean under the Great Seal for the Government of The United States of America, a part of "The United States of America", the name of the country as established in 1781 by the Articles of Confederation of 1781 and as amended August 5th, 2015, and heretofore never to be changed or altered in any way to mean anything other than the aforementioned and foregoing definition, meaning, and purpose, and

The style, "THE UNITED STATES OF AMERICA" on any document, passport or any seal of the Government of The United States of America means a division, department, branch, specific survey or geographical part as divided by lot of the country styled: "The United States of America", normally interpreted as one of the States of the Union and or the Several States of the Union wherein The United States of America was divided by lot in common usage and not to be interpreted as to mean another country or any type of foreign private international trust, private corporation, private agency or private membership association or other type of political or religious organization outside of the Government of The United States of America or outside of The United States of America, and

Example: Born in THE UNITED STATES OF AMERICA means one of the States of the Union or the Several States of the Union wherein The United States of America was divided by lot just as the Government of The United States of America accepted and acknowledged its lot of The United States of America once re-populated and re-established with a permanent population and a specific jurisdiction and territory within The United States of America, and

Another Example: The term Born in THE UNITED STATES OF AMERICA as written on the Passport of the Government of The United States of America is a security feature thereby foreign countries cannot specify the address of the bearer to protect the identity of the bearer of the passport since identity theft is a huge problem with the invention of the internet. A more specific location and or address of the bearer of the Passport is written on the American National, resident id card or driver's license under a NAC code recognized by the Government of The United States of America to further protect the persons within The United States of America from being trafficked into foreign private membership associations for the purpose of securitization of their persons and property by foreign traffickers in persons, and

Another Example: The Great Seal of the Government of The United States of America is written with this style: "THE GREAT SEAL OF THE GOVERNMENT OF THE UNITED STATES OF AMERICA" wherein that style means a certain lot of "The United States of America" as divided by and any office within that lot is a division, branch or part of the Government of The United States of America as written within the Articles of Confederation, as amended August 5th, 2015, and

National Governments of countries often use this form of survey within their terms so that the National Government itself does not trespass upon the private property of persons within the country or other independent States of the Union within the country, and

Any other diversion, conversion or other nefarious act of altering the definition, meaning and purpose of the style "THE UNITED STATES OF AMERICA" as it pertains to any document, seal or other writing within The United States of America and the Government of The United States of America would be considered a fake, fraud, or other defined nefarious act with the intent to internationally traffic the person to a foreign venue, foreign jurisdiction or foreign territory outside The United States of America or the Government of The United States of America punishable with the conviction of permanent exile for trafficking in persons, a crime under international law and the law of nations, and

So ordered, and signed this 88th day in the year of Yahweh, 6020 (June 15th, 2018)
