Dear Maura Healey,

My name is Christopher Doherty, holding the office of the Governor for the National Government of the State of Massachusetts-Bay interim.

There is a matter that has occurred yesterday 08-15-2018 that is of concern. Shannon Reckner was setup to fail in her terms of probation that she intended to finish her time and move on.

Here is the issue of grave concern. Shannon Reckner is no longer considered a U.S. citizen. She has the status of non-citizen, non-resident alien to the United States of America.

Her reasons are obvious because of how she has been treated by the U.S. Commonwealth of Massachusetts installed after the Civil War. Its Security Division has not canceled any foreign securities in her case regardless of ample evidence of her political decisions.

We know that the judicial system is broken under Pope Francis. We also know that the government of the Commonwealth of Massachusetts is a Catholic government formed for Catholics. Shannon Reckner is not a Catholic, however the Catholics intend on attempting to force Shannon Reckner to serve Pope Francis even though his reputation is less than stellar as of late.

The National Government of the State of Massachusetts-Bay is not in need of your endorsement or recognition. It does not need your credit nor services. The Law of Nations stands alone. We are talking about the book the Law of Nations not the Laws of a Nation.

At this moment, we have multiple human rights violations against Pope Francis based on the actions of his followers on 08-15-2018. Further, we have violations of Chapter 12 of the Law of Nations against Pope Francis of which his office is a subject.

The National Government of the State of Massachusetts-Bay has nothing but time to wait out the Illuminist-Socialist-Communist that have set up a socialist system in the government of the Commonwealth of Massachusetts because it will destroy itself in a very short period of time. Its debt is enormous and will fail.

However, that does not mean that Pope Francis is not going to be held liable for War Crimes, human rights violations, and violations of the Law of Nations on his way to his own destruction caused by his destructive behavior.

Shannon Reckner is under oath to another Government. Shannon Reckner will never serve your master and never be what your master likes to call "rehabilitated" and return as a U.S. citizen to serve his Empire. This means Pope Francis is now torturing Shannon Reckner maliciously under international law.

This National Government will take the proper steps to convict Pope Francis of multiple crimes every time his Catholic subjects step out of their boundaries. We will no longer attempt to charge the subjects of a foreign Monarch; the foreign Monarch has made his intentions very clear that he intends on continuing to attack America to subdue it to his will wherein he will not succeed.

The National Government of the State of Massachusetts-Bay is going to ask nicely; would you please release Shannon Reckner and cancel all foreign instruments and securities against her person from your Securities Division so she can resume her duties and responsibilities as Secretary of State interim? If this happens, we move on like nothing happened. However, Pope Francis is a different story.

Kind Regards,

Office of the Governor for the National Government of the State of Massachusetts-Bay,

Chris Doherty
