### INTERNATIONAL PUBLIC NOTICE OF NEUTRALITY

REFERENCE: UNLAWFUL ATTACK ON SYRIA

04-13-2018

IT IS NOTICED, that the unlawful attack on Syria is a serious violation of the Law of Nations, not only because the United States, the United Kingdom and France are engaged in a Military Occupation of the States of the Union within the metes and bounds of The United States of America, and

The attack on Syria was unprovoked and has nothing to do with a chemical attack on children. The United States, Great Britain and France has once again crossed the threshold into war crimes and therefore the Government of The United States of America hereby condemns all military force against Syria whether it is being committed by the United States, Great Britain or France, and

These actions taken by the United States, Great Britain and France may reach the level of a nuclear confrontation with Russia and a war with China, the Government of The United States of America and the States of the Union are hereby classified as neutral and shall exercise neutrality with this conflict or any other war crimes committed by the United States, Great Britain and France, past, present or future, however reserve the right to hear complaints of war crimes against the aforementioned entities within the War Crimes Tribunal, and

It has been this offices experience that these wars are growing tiresome and the people themselves have expressed this same speech over and over, however those that have their fingers on the button of nuclear weapons are determined to use them, and

Therefore, their idiocy and sociopathic mindset shall be their own condemnation whether they preach they are saving the world from itself or not. No one appointed those sociopaths to carry that responsibility and therefore is nothing more than murderers and thieves and the Government of The United States of America nor will the people of The United States of America suffer the spiritual liability of their war crimes any longer.

The office of the Governor for the Government of The United States of America and the Head of State of The United States of America,

*John Harold Tulke*
