### ALIEN TORT CLAIM

Date: 02-26-2018

**Against:** The trustees within the United States territories of the various internal revenue trusts:

**Subject Matter:** The trustees within the United States territories of the various internal revenue trusts, its agencies and its media outlets have been funding and implementing a campaign to control property ownership of its international trafficked persons within its trusts.

**Narrative:**

The National assembly for the Government of The United States of America has witnessed various nefarious acts committed by the trustees within the United States territories of the various internal revenue trusts. The aforementioned trusts are established under the rule of private international law. The following numbered paragraphs are a synopsis of said nefarious acts:

1. The trustees within the United States territories of the various internal revenue trusts have continually broadcasted, through its various media outlets, an enormous campaign towards restrictions of private property ownership under the cover of a fictional narrative called "the 2<sup>nd</sup> amendment and gun control and a further attempt to ban an assault weapon that does not exist", and
2. The trustees within the United States territories of the various internal revenue trusts have continually abused the Freedom of the Press and Freedom of Speech in an effort to control, restrict and condemn certain property from private ownership, including but not limited to the use and purchase of private property under a false narrative of public safety, and
3. The trustees within the United States territories of the various internal revenue trusts have continually abused the ignorance of the Public at Large with incitement to commit war on their own country by chipping away private property ownership thereby transforming the country into a communist and fascist form of government wherein transferring any form of liability for the treachery upon the people while at the same time broadcasting the claim that the majority of the people welcome said usurpation upon their human rights, and

**Classification:**

- A. Private property ownership is a human right and not a State or country granted right.
- B. Private trusts under the rule of private international law are not immune from international or domestic human rights violations committed by inciting or any other action taken which causes incitement.
- C. Restrictions and eventual abolishment of private property rights destroys the power of the State and the country.

This Alien Tort Claim is hereby lodged into the venue and record of the International Community by International Public Notice and Publication of Record on the **26<sup>th</sup> day of February in the year two thousand and eighteen:**
