### PROCLAMATION OF THE EXISTENCE OF A DEFAULT OF THE GUARANTEE OF A REPUBLICAN FORM OF GOVERNMENT TENDERED BY A CONGRESS OF THE UNITED STATES

The United States, in Congress assembled hereby proclaims the existence of the default on the guarantee of a republican form of government defaulted in nineteen hundred and thirty three.

This proclamation serves as International Public Notice to the International Community that the U.S. Congress does not officially exist and that it is in fact a disguise of a non-elected Socialist and Communist Party.

The Federal Reserve System and its member banks are not banks under nor subject to any monetary policy. They are in fact Socialist Party headquarters that disguise political declarations of status as loans and mortgage agreements.

These political parties have been trafficking the people from one political venue to another without their knowledge and consent and thereby using the people as test subjects without their knowledge and consent under a Grand Social Experiment usually referred to as Social Engineering.

After reviewing the evidence provided it has been determined by the United States, in Congress assembled, with full authority to regulate foreign businesses within the metes and bounds of The United States of America as per the Articles of Confederation, as amended in convention on August 5<sup>th</sup> 2015 that;

## 1. Definition of socialism

1. any of various economic and political theories advocating collective or governmental ownership and administration of the means of production and distribution of goods; and
2.
  - a) a system of society or group living in which there is no private property; and
  - b) a system or condition of society in which the means of production are owned and controlled by the state; and
3. stage of society in Marxist theory transitional between capitalism and communism and distinguished by unequal distribution of goods and pay according to work done.

The Federal Reserve System is a vehicle and a straw man to steal assets into the Socialist and Communist Party, The U.S. Congress is found to be engaged in Socialism and Social engineering to a point of converting local Wal-Mart's into civil disobedience centers for the purpose of forced training subjects into "productive citizens" within its Socialist and or Communist Party in violation of all 30 Articles of the Universal Declaration of Human Rights and multiple war crimes and crimes against humanity. The enforcement of said violations are being enforced by the U.S. Military and various agencies against civilians.

**THEREFORE**, the U. S. Congress operating under default consistently gives false and misleading statements to the United Nations when it does not lawfully exist and is a violation of the Universal Declaration of Human Rights and therefore the U. S. government does not legally own any assets contrary to its international and public claims.

**BE IT RESOLVED** by the United States, in Congress assembled, that all violations of international law will be arrested upon warrant issued by the Chief of the Human Rights Tribunal International and prosecuted by the office of the Governor for the Government of The United States of America. Further, any and all States, Counties townships and cities are required to register assets with the office of the Treasury for the Government of The United States of America as a safe guard measure so the assets can be returned to the people immediately, and

**FURTHER, BE IT RESOLVED** that the organization and individuals that are involved in the aforementioned entities are considered international fugitives from justice and hereby classified International Human Rights Violators and war criminals under penalty of crimes against humanity.

**SO PROCLAIMED,** by the United States, in Congress assembled on this 184<sup>th</sup> day in the year of Yahweh six thousand and nineteen, translation 19<sup>th</sup> day of September, two thousand and seventeen.
