The **General Secretariat Building (GSB)** is located on 1889 F Street, N.W., Washington, D.C. 20006, USA (corner of 19th and F Streets)

Grounds for the International Complaint

The grounds for this international complaint and arrest warrant include but are not limited to acts of falsifying the international record of the International Community wherein the United States, a well known and self proclaimed privately owned corporation appointed an Ambassador to the Organization of American States in violation of the Organization of American States charter, thereby falsifying the international record as well as violations of numerous Articles within the Universal Declaration of Human Rights (UDHR), to wit;

Incidents with known Organization of American States involvement:

On May 2<sup>nd</sup>, 2018, Vice President Mike Pence of United States Inc. announced a "U.S. Permanent Representative to the Organization of American States". <https://youtu.be/sSSjqMm3zcs>

In case number **CASE #** HRTI-327130BE-B10B-419A-8100-0DDE549D61AB,

**Date of Report:** June 03, 2015, and published 06-04-2015 at this publication of record: <https://reignoftheheavens.com/?p=1408> wherein it states:

"Further, on or about June 2, 2015 it was also communicated by OAS staff that OAS does not accept corporations as members."

The Organization of American States is clearly:

- 1: Against any form of a real country unless that country offers money or has enough fire power to destroy it.
- 2: A highly racist organization wherein if anyone calls that organization that is not Latino nor speaks Spanish they hang up.
- 3: Complains about the South American countries that do not pay their dues.
- 4: Has not contributed to the International community and basically serves no purpose whatsoever.
- 5: Violates its own charter when it fits its narrative, and arbitrarily falsifies the international record on a daily basis and cares not for any form of rule of law.

## ORDER FOR ARREST

So ordered and signed on this 45<sup>th</sup> day in the year of Yahweh, 6020 (May 03, 2018)
